What are Maternity Home Health Services?

Maternity Home Healthcare Services provide comprehensive and specialized post-natal care to mothers and their newborns in the comfort of their own homes. This service is designed to support the health and well-being of both the mother and the baby during the postpartum period, ensuring a smooth transition and recovery after childbirth.

Scope of Services:

- **Newborn Baby Care:** Comprehensive care for the newborn, including monitoring health and development.
- **Exclusive Breastfeeding Support:** Assistance and guidance for mothers to establish and maintain breastfeeding.
- **Nutrition Management:** Personalized nutritional advice and support to ensure the mother and baby receive essential nutrients.
- **Immunization Education:** Information and guidance on the importance and schedule of vaccinations for the newborn.
- **Wound Care for Post-Caesarean:** Specialized care for mothers recovering from a Caesarean section, ensuring proper wound healing and recovery.

These services aim to provide holistic care, addressing both the physical and emotional needs of new mothers and their babies, promoting a healthy start to their new life together.

PROCESS OF ADMISSION

A Home Healthcare Services Coordinator will perform an assessment to determine if this service is appropriate for you. If appropriate, we will process your information and schedule your appointment.

We will also provide you with detailed information about the services and grant you access to The View Hospital's mobile application for patient information.

You or a responsible family member will be asked to sign a general consent form. This consent allows Home Healthcare Services staff to provide routine care in your home. The form includes information about home healthcare visit schedules, routine treatments, and procedures, as well as an agreement to respect the home healthcare staff and ensure a safe working environment in your home.

Working Hours

Hours of Operation: From 08:00 to 20:00, Sunday to Thursday.
24-Hour Support: Available as required, including on-call support.

Services are provided by registered and licensed nurses from The View Hospital Nursing Team.
